

SMALL BOOSTER BUDDY STAND

Assembly Instructions

<p>Two Vertical Tubes</p> 	<p>HARDWARE PROVIDED</p>	<p>Two Base Pieces</p> 
<p>Two Flat Brackets</p> 	<p>Four 1/4"-20 x 1/2" bolts Four 1/4" lock washers</p>  	<p>Four 5/16"-18 x 1 1/4" bolts Four 5/16" lock washers</p>  

Step 1.
Remove the Koala Booster Buddy Stand, parts & fasteners package from the shipping box and check for freight damage and missing pieces. Report any damage or any missing items to Koala Kare Products immediately.

Step 2.
Attach one vertical tube to each of the base pieces using the 5/16" screws with a lock washer. The tube fits into the large holes in the base piece.

Step 3.
Assemble one of the two flat brackets to the left leg of each of the two base pieces using the 1/4" screws with a lock washer.

Step 4.
Assemble the two base pieces together at their right leg using the 1/4" screws with a lock washer. Do not over tighten screws.
