

WARRANTY  
Limited Lifetime – Residential  
Limited 25-year – Commercial

Manufactured from Swanstone solid surface  
(See page 2 for detailed information.)

Recommended for high-use traffic areas and commercial surfaces.

FEATURES

- Reinforced solid surface means color and texture run all the way through and cannot wear away.
• Will not mold or mildew, no grout to clean.
• Ideal for remodeling, panels glue up over existing surface.
• Coordinates with other Swanstone bath products.
• Can be easily trimmed to fit any shower application.
• Widest range of sizes to fit most any project.
• Heat resistant—walls can handle steamer units.
• Compression molding means superior durability.

NOTE: Overlap panels are used to create 60 x 36 x 72-inch or 60 x 36 x 96-inch enclosure combined with CCSK72-3648 or CCSK96-3648.

Overlap Panel Shower Walls

- 11-3/4" wide x 72" high (298 mm x 1829 mm)
11-3/4" wide x 96" high (298 mm x 2438 mm)

MAINTENANCE AND CLEANING INFORMATION

Clean regularly with common household liquid cleaners and rinse within five minutes of application. Occasional scrubbing with abrasive cleaners ensures that the original luster will be maintained. Do not use "leave on" cleaning products, such as automatic spray shower cleaners. Prolonged contact with harsh chemicals could have an adverse reaction over time and discolor surfaces. Do not use cleaning agents that caution use on acrylic, polyester or plastics.
